

# 2018 Storrs Community Church Women's Retreat

## 2018 Women's Retreat Journey Inward ~ Journey Outward

Pressures from within and without sabotage our capacity to love God and others. Cultural norms pull us into unwanted if tolerable normals, normals where we lose ourselves and our purpose in this world. Come explore the possibility of a new normal where the radical love of Jesus impacts your journey inward and your journey out into the world.

*You were taught with regard to your former way of life, to put off your old self, which is being corrupted by its deceitful desires; to be made new in the attitude of your minds; and to put on the new self, created to be like God in true righteousness and holiness. Ephesians 4:22-24*
